

SUPPORT YOUR SANCTUARY!

PURCHASE AN ORGANIZATION LICENSE PLATE

Did you know that you can support your sanctuary by purchasing a special organization license plate that features the sanctuary's logo?

It's Simple

Apply at the Division of Motor Vehicles for an organization plate that supports the National Marine Sanctuary Foundation.

It's Affordable

License plates cost \$25.00 per year in addition to your normal registration fees. There is a one time additional fee of \$5.50 for changing your license plate. \$20.00 of the \$25.00 annual fee goes directly to support the Hawaiian Islands Humpback Whale National Marine Sanctuary!

It's Everywhere

This program is available throughout the state of Hawai'i. Visit the place that you register your vehicle.

It's Anytime

You can change your license plate anytime. There is no need to wait for your registration to be due.

Don't Delay

The sanctuary's participation in the organization plate program will end in March 2012 unless we can significantly increase the number of participants purchasing our plate. Help us spread the word so we can keep this program going!

Show Your Support when you Drive Away

Display your dedication to protecting Hawai'i's humpback whales while you're on the road.
